

**Great Lakes Chapter Volvo Club of America meeting
Tuesday, September 22, 2015
Clara's Restaurant, Lansing, MI**

Members in attendance were Jim & Joyce Webb, Rick Webb, John & Nancy Northup, John & Janet Mendler, Tim & Harriet Cox, Al Bulgrin & Gretta VanBree, Bob Riggs, and also David Irvine by cell phone.

The meeting was called to order by Jim Webb.

The treasurer's report was given. We currently have \$1,902.24 in our account. Expenses were to the website for \$244.35. There were 2 new members and one donation. It was motioned by Tim Cox to accept the minutes and supported by Rick Webb and passed by those in attendance.

We will not be having the National meet at the Gilmore in 2016. The location is not officially out. Tim Cox is in contact with someone of VSA to have groups from Wisconsin and Chicago join us for a regional meet on August 13, 2016.

Discussion of the by-laws was put off because the Baileys were not there. We want all those present in November to have read them and be prepared to vote at that meeting.

Rick reported that there is a Volvo USA 60th anniversary road trip in California on October 24 of this year.

We need ideas for a dust-off for next spring. David has volunteered to help.

The next meeting will be on November 18 at Clara's.

Respectfully submitted,
Joyce Webb subbing for Penny
